

Roosevelt Dads' Club Meeting Minutes

Thursday, November 20, 2008

Principal's Message:

Victoria started with a special thanks to the Dad's club, and especially Rob Rich for a successful beautification day.

She mentioned upcoming events:

1. Next Tuesday is special persons day. No school Wed, Thurs, Fri.
2. Conference week – the week after Thanksgiving.
3. December concert – band concert and choir concert.

Student leadership (4th and 5th graders) is collecting items to ship overseas to soldiers. Non perishables are needed. The deadline is Tuesday, Nov 25.

Victoria also mentioned that composting is happening twice a week now and the kids are really getting the hang of it. Garbage from lunch is being drastically reduced on composting days.

Newsletters online – signups coming next week.

Parent volunteer day

\$1400 in expenses that day
materials \$650
district labor and misc \$750

Next year, we plan to go after the large bare spot in the field. Investigation is needed to figure out what needs to happen there. It's been attempted previously, but hasn't ever worked. We're looking for someone to chair that project who has some experience in landscaping.

Rob mentioned that maybe dad's club should purchase a power washer for future dates. It will need a home. He also mentioned to make notes of things that need to be done around the school as the year goes on, so we can prioritize projects that need the most attention.

Treasurers Report:

Balance \$11500

Includes deposit of \$400, for tickets reimbursement from PTA. A special thanks to Aaron Scott who gave \$50 to the dads club.

Tech update:

Pictures of the many dad's club members/activities are on the dads group site.
